Dear Senator Carper,

I would like to personally thank you for coming to speak to the Postal Service about their plans to shutter the Hares Corner facility. It was a pleasure to witness the Senators and Congressman from Delaware in attendance demanding answers and accountability from the Postal Service. While I understand the Postal Service has no numbers to provide us at this time, I believe they are overlooking some important ones that we have access to. Enclosed is a letter I sent to our APWU President Gwen Lane explaining the mileage and fuel differences. Please look over it when you have the time. I spoke to your State Director Larry Windley at the meeting at William Penn High School and told him that I would be sending some information his way concerning this matter. Please share this information with the rest of your team.
